Topic: Cedar River TMDL and NPDES permits

What are our options in revising or redoing the Cedar River TMDL?

I expect we will need a larger group discussion at some point, but for now I'd rather just pick your brain.

Thank you!  
Lori

Tomorrow at 130 would be fine...believe me I would rather be talking with you now than this call...just you and me or do you need anyone else? Also can you give me a heads up on issue...if not in email I understand.

Not today time sensitive. Would you be free tomorrow at 1:30 or after or on Monday morning between 8-9 or 10-10:30?

Is it today time sensitive. I'm stuck covering for acting RA on a call till like 430. I can do after that and if this gets done quick can call sooner.
